Violation of these requirements may void the contract. Proof of authority is required. Questions or registration may be accomplished by contacting the Secretary of State at (406) 444-3665 or by e-mail at sos@state.mt.us.

(Mont. Code Ann. § 18-1-401.)

DISABILITY ACCOMMODATIONS: The State of Montana does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Interested parties should provide as much advance notice as possible.

COMPLIANCE WITH LAWS: The contractor must, in performance of work under the contract, fully comply with all applicable federal, state, or local laws, rules and regulations, including the Montana Human Rights Act, the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. In accordance with state law, and/or policy and/or rule, the contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, national origin, age, physical or mental disability, marital status, religion, creed, sex, sexual orientation, or political beliefs by the persons performing the contract.

HOLD HARMLESS/INDEMNIFICATION: The bidder, offeror, or contractor agrees to indemnify the State, its officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, and causes of action of any kind or character, including the cost of defense, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed, goods or rights to intellectual property provided or omissions of services or in any way resulting from the acts or omission of the contractor and/or its agents, employees, subcontractors or its representatives under a subsequent contract.

Code Ann. § 18-1-118). INTELLECTUAL PROPERTY: All patents and other legal rights in or to inventions arising out of activities funded in whole or in part by the contract must be available to the State for royalty-free and nonexclusive licensing. The contractor shall notify the State in writing of any invention conceived or reduced to practice in the course of performance of the contract. The State shall have a royalty-free, nonexclusive, and irrevocable right to reproduce, publish or otherwise use and authorize others to use, copyrightable property created under the contract.

UNAVAILABILITY OF FUNDING: The contracting agency, at its sole discretion, may terminate or reduce the scope of the contract if available funding is reduced for any reason. (Mont. Code Ann. § 18-4-313 (3).)

FACSIMILE RESPONSES: Facsimile responses will be accepted for Invitation for Bids ONLY if they are completely received by the State Procurement Bureau prior to the time set for receipt of bids. Bids or portions thereof, received after the due time will not be considered. Facsimile responses to Requests for Proposals are ONLY accepted on an exception basis with prior approval of the procurement officer.

WARRANTIES: The contractor warrants that items offered will conform to the specifications requested, to be fit and sufficient for the purpose manufactured, of good material and workmanship and free from defect. Items offered must be new and unused and of the latest model or manufacture, unless otherwise specified by the State. They shall be equal in quality and performance to those indicated herein. Descriptions used herein are specified solely for the purpose of indicating standards of quality, performance and/or use desired. Exceptions will be rejected.

ACCEPTANCE/REJECTION OF BIDS OR PROPOSALS: The State reserves the right to accept or reject any or all bids or proposals, wholly or in part, and to make awards in any manner deemed in the best interest of the State. Bids and proposals will be firm for 30 days, unless stated otherwise in the text of the invitation for bid or request for proposal.

PROTEST PROCEDURE: Bidders and offerors may protest a solicitation or award of a contract per section 18-4-242, MCA, and ARM 2.5.406. The protest must be in writing and state in detail all of the protestor's objections. The complete protest must be submitted to the department no later than the close of business 14 calendar days after the execution of the contract in question. If the 14th day falls on a Saturday, Sunday, or legal holiday, the protest is due at the end of the next business day. The State is under no obligation to delay, halt, or modify the procurement process pending the result of a protest, contested case proceeding, or judicial review.

MONTANA PREFERENCES: Public agencies are required by law to apply a 3-5% preference to bids submitted by Montana residents for the purchase of goods. (Preferences are not applied to Requests for Proposals, Term Contract Bids, for "services," or if federal funds are involved.)

Bidders claiming this preference must have a current affidavit on file with the department, or submit one with the bid, in order to qualify for the preference. For complete information and affidavit forms, see www.state.mt.us/doa/ppd/resaffid.pdf. (Mont. Code Ann. §§ 18-1-102, 18-1-103, 18-1-113 and ARM 2.5.403.) In addition, Montana-made products are preferred for use in a contract if such goods are comparable in price and quality. (Mont. Code Ann. § 18-1-112.)

FAILURE TO HONOR BID/PROPOSAL: If a bidder/offeror to whom a contract is awarded refuses to accept the award (PO/contract) or, fails to deliver in accordance with the contract terms and conditions, the department may, in its discretion, suspend the bidder/offeror for a period of time from entering into any contracts with the State of Montana.

CONFORMANCE WITH CONTRACT: No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without prior written consent of the State Procurement Bureau. Supplies delivered which do not conform to the contract terms, conditions, and specifications may be rejected and returned at the contractor's expense.

REFERENCE TO CONTRACT: The contract (Purchase Order) number MUST appear on all invoices, packing lists, packages and correspondence pertaining to the contract.

PAYMENT TERM: All payment terms will be computed from the date of delivery of supplies or services OR receipt of a properly executed invoice, whichever is later. Unless otherwise noted, the State is allowed 30 days to pay such invoices.

TERMINATION OF CONTRACT: Unless otherwise stated, the State may, by written notice to the contractor, terminate the contract in whole or in part at any time the contractor fails to perform the contract.

ASSIGNMENT, TRANSFER AND SUBCONTRACTING: The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the department. (Mont. Code Ann. § 18-4-141.)

SEPARABILITY CLAUSE: A declaration by any court, or any other binding legal source, that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually dependent.

DEBARMENT: The contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the State.

LATE BIDS AND PROPOSALS: Regardless of cause, late bids and proposals will not be accepted and will automatically be disqualified from further consideration. It shall be solely the vendor's risk to assure delivery at the designated office by the designated time. Late bids and proposals will not be opened and may be returned to the vendor at the expense of the vendor or destroyed if requested.

SOLICITATION DOCUMENT EXAMINATION: Vendors shall promptly notify the State of any ambiguity, inconsistency, or error, which they may discover upon examination of a solicitation document.

U.S. FUNDS: All prices and payments must be in U.S. dollars.

The State of Montana, Department of Administration, State Procurement Bureau (SPB) has established this term contract to provide microfilm equipment and supplies to various state agencies and political subdivisions for the contract period of January 1, 2005 through December 31, 2005. This is the third renewal, fourth year of the contract. The initial contract period was from July 1, 2001 through December 31, 2002.

EXCLUSIVE CONTRACT

The intent of this contract is to provide state agencies with an expedited means of procuring supplies and/or services. This contract is considered to be an “Exclusive” use contract and state agencies must obtain the specified product/service from the contract holder(s), unless the contract allows otherwise. However, the State Procurement Bureau does not guarantee any minimum usage totals and it is the individual agency’s responsibility to comply with the terms of the contract.

1.0 CONTRACT REQUIREMENTS

- 1.1 Prices must remain firm for the contract period. Annual manufacturer’s price increases may be considered on a case-by-case basis.
- 1.2 On an as-needed basis, state agencies and political subdivisions will place orders by telephone and/or facsimile. These orders can be followed up with a hard copy purchase order and original signature or by having the agency supply the ProCard (the State’s credit card) number.
- 1.3 The State may remove a vendor from this contract if products provided by the supplier are unacceptable to the using agencies. Dated material must have at least one-half the shelf life remaining at time of delivery.
- 1.4 All supplies in excess of \$100.00 shall be shipped, freight prepaid, F.O.B. destination. This includes backorders shipped at a later date. Orders under \$100.00 will have freight charges prepaid and added to the invoices as a separate line item. Additional charges for orders which require expedited shipment will be agreed upon between the vendor and ordering agency. These charges will be prepaid and invoiced as a separate line item.
- 1.5 The State requires a minimum of a 90-day warranty on all new Microfilm Reader/Printers and maintenance programs made available for each machine up to 36 months.

2.0 CONTRACT RENEWAL

This contract may, upon mutual agreement between the parties and according to the terms of the existing contract, be extended in one-year intervals for a period not to exceed five additional years. This contract is current from January 1, 2005 through December 31, 2005. This is the third renewal, fourth year of the contract. The initial contract period was from July 1, 2001 through December 31, 2002.

3.0 TERM CONTRACT REPORTING

Term contract holder(s) shall furnish annual reports of term contract usage.

Each report shall contain the product description, total quantity sold of each item, total dollars expended, and the name of the agency purchasing the item. The report for this term contract will be due July 2, 2005.

Reported volumes and dollar totals may be checked by the State Procurement Bureau against state records for verification. Failure to provide timely or accurate reports is justification for cancellation of the contract and/or justification for removal from consideration for award of contracts by the State.
